Golf Course  
&  
Event Center

*For your unforgettable event*

The Catatunk Event Center is located at the 50 year old Catatunk Golf Club in Candor, New York. A quiet, secluded country setting overlooking the golf course, rolling hills, ponds and valley which offers a stunning backdrop for your special event pictures.

Our 320-acre property is the perfect setting for an unforgettable wedding, reunion, party, corporate event etc. that may even include a golf event at our beautiful 18 hole golf course.

It is centrally located and easily accessed West from the Southern Tier, East from Elmira and Corning and South from Ithaca and points North into New York's wine country.

Whether a small or large event, the open architecture offers a view for everyone and protection from the elements. Dine in the all glass enclosed banquet room or mingle on our spacious patio that surrounds the building.

Maybe have a ceremony on our grassed amphitheater area (*right*) atop a hill next to the venue offering picture perfect expansive views.
