For your unforgettable event

The Catatonk Creek Event Center is located at the 50 year old Catatonk Golf Club in Candor, New York. The serene and secluded country setting overlooks, rolling hills, ponds and valleys and our legacy golf course.

The 320-acre property has been crafted into an ideal location to host your special event, unforgettable wedding, reunion, party, etc. that may even include a golf event at our beautiful 18 hole golf course.

It is centrally located and easily accessed West from the Southern Tier, East from Elmira and Corning and South from Ithaca and New York's wine country.

Whether 50 or 350 guests, the open architecture offers a view for everyone. Dine in the 5,000sf+ banquet room or mingle on our 3,500sf patio that surrounds the building.

Maybe have a ceremony on our grassed amphitheater area (*right*) atop a hill with it's expansive views and perfect backdrop for pictures.
